

## **RANDY RAWLS – RULES FOR ECW CRITIQUE**

I will critique five partial manuscripts on a first come, first serve basis. The deadline is March 15, 2010.

1. Send the first 10 pages only
2. Times New Roman or Courier New Font, 12 point
3. 1-inch margins all around
4. Send as an email attachment
5. Put ECW Critique in the Subject line

I will critique and bring along the hard copy to distribute at the end of my class. For those folks who want to argue, we'll find a quiet place to discuss the manuscript. I have been called the **The Critiquer From Hell** because my goal is to find EVERYthing, then let the author make the call whether to use or lose my input.
